ABOUT

JSS AHER- SLS- Division of Biochemistry

JSS Academy of Higher Education & Research (JSS AHER, formerly known as JSS University) was established in 2008 under Section 3 of the UGC Act 1956 and is part of JSS Mahavidyapeetha. This deemed-to-be university is recognized by MHRD and accredited by NAAC with A* Grade (3.48 CGPA). The Deemed to be University has been focusing on teaching, research and health services since its inception. The School of Life Sciences (SLS), was established in the year 2013 stands today as a unique institution in the country known for multidisciplinary and interdisciplinary teaching and research in life sciences.

Theme of the workshop

“**Borderless Biology: From Basics to Business**” aims to orient the researchers towards outcome-based research in the real-time scenario of biological sciences. It focusses on providing substantial foundation and refinement for the research, with problem solving approach, integrating various fields of Science and Technology. The borderless approach in solving problem is effective in understanding the basics and encouraging innovations in biological research.

Outcomes

The workshop persuades researchers to transcend their basic research towards translational research, boosting their research perspectives and widening the scope of career in Science & Technology. This workshop will motivate the participants to carry out problem-solving research, benefiting the health and society. Overall, the workshop provides insights of basic and applied research strategies that aided in successful transition of “Basic Research to Business”.
