

## **Continuing Professional Development (CPD) Program on Essential Medicines & Infectious Diseases**

The Department of Pharmacy Practice, JSS College of Pharmacy, JSS AHER, Mysuru conducted a Continuing Professional Development (CPD) Program on 'Essential Medicines & Infectious Diseases' for Practicing Pharmacists of Mysuru city on 9<sup>th</sup> February 2019 at Seminar Hall, JSS College of Pharmacy, Mysuru.

This CPD program on Essential Medicines & Infectious Diseases was conducted with an objective to advance knowledge and develop skills of the practicing pharmacist pertaining to list of the essential medicines. Mrs. R. S. Savitha, Asst. Professor, Department of Pharmacy Practice led the session on 'Essential Medicines'. At the end of the session, the participants were able to describe the list of essential medicines included in the national list of essential medicines. Dr. M. Umesh, Lecturer, Department of Pharmacy Practice led the session on establishment of medication error reporting system in community pharmacies and Mr. M. S. Srikanth, Lecturer, Department of Pharmacy Practice led the session on summer borne infectious diseases. A total of 12 practicing hospital & community pharmacists from various parts of Mysuru city attended this program. Participants expressed that they benefited from this program and provided a positive feedback on the program.
