**Report**

**Guest Lecture on “Injectable Liposomes”**

**Held at JSS College of Pharmacy, Mysuru on 20/07/19**

A guest lecture on “**Injectable liposomes**” was held on **20<sup>th</sup> July 2019 from 12.00 pm to 1.00 pm** in seminar hall, JSS college of pharmacy, Mysuru. This lecture was especially organized for the M.Pharm. I year, Pharmaceutics and Industrial Pharmacy students. The Speaker for the lecture was **Mr. Kiran K Jadhav**, AGM, Formulation, INM Technology Pvt. Ltd., Bengaluru.

Dr. D.V. Gowda, Head, Department of Pharmaceutics, JSSCP, Mysuru, felicitated Mr. Kiran for the Guest Lecture. Dr. Vikas Jain, introduced the speaker and the topic of the lecture to the students.

Mr. Kiran gave insight on Injectable liposomes. He had delivered a highly impressive and detailed lecture covering following topics:

- Basics of liposomes
- Approved liposomes products
- Liposome composition
- Issues in liposome formulation
- How to assure quality?
- Manufacturing process of liposome
- Regulatory aspects of liposomes

All the Students and faculties, who were present over there gave positive feedback and expressed their thanks for this wonderful lecture. Dr. Vikas Jain, Assistant Professor, Department of Pharmaceutics, JSSCP, Mysuru with some motivational words finally delivered the vote of thanks and concluded the guest lecture.
