Sports is good for all of us in daily life as it involves us in common physical activities under healthy environment. The environment of sports becomes very competitive and challenging for the sportsmen so they focus on the challenges put in front. Physical beauty of the person involves in making the humanity of him. There are variety of sports played accordingly by the people in various countries. National or international level sports competitions takes place in any country for any sports. Revolution comes in the sports field time to time and replaced by ashtanga or other forms of yoga. Variety of sports activities bring a lot of positive opportunities for us. There are various problems also occur however they do not matter. Participating in the sports activities enhance children's school accomplishments. Sports are the way to big achievement in the pupil's life however depends on their active involvement and experiences they already have. Getting interested in any of the sport gives a worldwide identification and life long achievement. Facing challenges of sports teaches us to tackle with other challenges of the life as well as survive in a competitive society.

JCI Star Quest, Nilgiris District Level Inter-college Collegiate Cultural Fete - Report

Junior Chamber International (JCI) regularly conducts district level inter college events. This year program held on 24th of August 2018 at HADP tribal Hall. As usual. JSS College of Pharmacy, Ooty, participated in JCI STAR QUEST 2018. All the students were so energetic and excited to participate in the fest. A total of 7 colleges participated in this year JCI FEST. The colleges were JSS college of pharmacy, CSI College of Engineering and Technology, Monarch International College, Providence Arts College, Government Arts College, Ooty, Bharathiyar University, Gudalur, Mc Gans school of Architecture. 43 students from our institute were auditioned and selected to represent in the different academic and cultural events. A total of 400 students participated in various academic and cultural events. There were 4 academic events and 5 cultural events conducted, the academic events were debate, quiz, rangoli, dumb charades. The cultural events were solo singing, solo dance, group dance, Mr and Miss Talent hunt and fashion show.

We won in the academic events conducted in the 1st session. We were the one to put up the points on the board and we kept the lead from the beginning. Apart from participant our college student were contributed for the program fund, the collected fund usually utilised for the social and noble cause. We were praised for our generous contribution towards the contribution. Hence the auditorium was filled with our non participants who were continuously supporting and cheering their friends and colleagues. We were trying to compete in cheering our friends also with a positive spirit and as an encouragement to the participants. Our college crowd was amazing and found enjoying every moment. The lunch was arranged for the students from the college.

Our students actively participated in all the 9 events with full enthusiasm and competitive spirit and gave their best. Every student of our institute was appreciated for their wonderful performance by the JCI members, judges and the students of other colleges.

MR. T.S. Shivaprasad accompanied the participants. We would like to extend our heartfelt thanks to our JSSAHER, beloved Principal and Administrative Officer, All teaching and non-teaching members who extended their direct and indirect support and encouragements.

Dr. MR. Jeyaprakash, Student activities I/C
