

**Report on Guest Lecture on**  
**'Awareness on Cervical Cancer & HPV Vaccine'**

Department of Pharmacy Practice, JSS College of Pharmacy as part of the Golden Jubilee Celebrations organized a guest lecture on "Cervical Cancer and HPV Vaccine" on 31<sup>st</sup> January 2023 at JSS College of Pharmacy, Mysuru. The guest lecture was organized with the objective to orient and educate female students about cervical cancer, its risk factors, and preventive measures including immunisation.

*Dr M Ramesh welcoming the speaker*

The speaker for the guest lecture was Dr. Gude. Haripriya, Associate Consultant Radiation Oncologist, Bharat Hospital and Institute of Oncology, Mysuru. The guest lecture was formally inaugurated by Dr. M. Ramesh, Professor, Dept. of Pharmacy Practice, JSS College of Pharmacy, Mysuru by welcoming the speaker.

*Dr. Gude Haripriya during her session*

Dr. Haripriya began her talk explaining what is cervical cancer, its stages, risk factors and treatment options. She also stressed on maintaining good hygiene and practising safe sex. During her talk, she highlighted the need for vaccination and the importance of screening. She concluded with a note on creating awareness in and around ourselves.

*Students attending the guest lecture*

At the end of the session, students were given opportunity to ask questions, to which the speaker interacted and clarified their doubts. Around 72 students attended the lecture

*Dr M Ramesh presenting the certificate of appreciation to Dr Haripriya*

The programme had an overwhelmingly good response, and a certificate of appreciation and a memento was presented to the speaker.
