

Myself Dr. Amal Suresh a proud alumni of JSSDC. I completed my undergraduate from JSS in the year 2017. Currently pursuing my postgraduation degree in Oral and Maxillofacial Surgery from SDM College of Dental Sciences and Hospital. JSS has been an amazing journey. From day 1 it has taught me a lot. From the staff being so considerate and passionate towards their students to all the students being loving and caring. JSS is a world in itself. My journey has been a mesmerizing and wonderful one. I have learnt how to be disciplined, hardworking and passionate towards my work from this precious institute. This institution has played a major role in my grooming and I owe a lot to it. With beautiful memories I own down Dr. Amal Suresh.
