Greetings to all office bearer, members and students!

It is a great opportunity for me to be a part of Youth Red Cross, JSS College of Pharmacy Ooty.

The Indian Red Cross Society aims to inspire, encourage and initiate at all times, all forms of humanitarian activities so that human suffering can be minimized, alleviated and even prevented, thus contribute to creating a more congenial climate for peace. Youth Red Cross (YRC) at JSS College of Pharmacy provides ample opportunity to the young people to feel empowered to take humanitarian action, offering their strengths, energy ideas and innovation to Indian Red Cross Movement and to their communities.

It's amazing to see how YRC team is expanding day by day at JSS, the participation of students at greater number shows great humanistic characteristics of the youth students to serve the society.

With the great pleasure I would like to say this year as like last year we organized many programs and completed it with a great success; National Nutrition Week, Dengue Awareness Campaign, Pulse Polio Immunization Program. I would like to thank all participants who had actively volunteered in the programs and helped to make it a great success. Also assure you all such services will continue in further days to come.

I heartedly welcome all my friends, students of JSS College of Pharmacy, Ooty to join YRC and to volunteer actively to continue the great mission of serving the humanity.

Thank You!!

Asish Kumar Saha

Secretary, YRC, JSSCPo
