For javelin boys, Mr. Samvel P won the gold medal and for discuss throw girls, Ms. Arundhathi won the

second place (silver). In total, we were leading with 118 points overall for champions.

Day-2 & Day 3 from 06/03/2020 to 07/03/2020, various field events- were conducted for staff and students in different locations- JSS medical college grounds, JSSCPM grounds, SJCE Campus, Pavilion grounds. The staff team won in Crickets as Runner up- second place. For boys cricket, we achieved second place- runners up as well. In table tennis, boys team were the runners and girls team were the winners. For kabaddi, our college boys won the gold medal. For carrom double, boys team won the gold medal and caroms girl singles, the team won silver medal.

It was a proud moment of our college- JSSCPO to wins the Overall Champions- Runners up of the AIKYA 2020. The cup was given to the staff and students by Dr. Kushalappa PA.

If anyone has involved in the sports and games activity, he/she has chance to perfect mental and physical growth and development. In addition to that, they will gain the opportunity to face the challenges in the life. It helps them to improve their personality, confidence level development with physical and mental balance. We hope that, this sports fest is the stepping stone in the near future to promote sportsmanship in our campus.

We the sports committee submit our sincere thanks to our University & College management for supporting and encouraging us to participate in such sports events and achieving success in such endeavours.

Sports Committee Coordinators:
