

## INTERNSHIP DETAILS 2018-2020 BATCH

### Objectives

To assist the student's development of employer-valued skills such as teamwork, communications and attention to detail.

To expose the student to the environment and expectations of performance on the part of regulatory affairs professionals in professional regulatory affairs practice, private/public companies or government entities.

To enhance and/or expand the student's knowledge of a particular area(s) of pharmaceutical regulatory affairs.

To expose the student to professional role models or mentors who will provide the student with support in the early stages of the internship and provide an example of the behaviors expected in the intern's workplace.
