

M.Sc. in Environmental Science (ODL) Self Learning Material details:

	Semester I	SLM Prepared by
Paper 1	Principles of Environmental Sciences	Dr. Pallavi N
Paper 2	Environmental Microbiology and Biotechnology	Dr. Shivaraju HP
Paper 3	Environmental Chemistry	Dr. Divya J.
Paper 4	Environmental Earth Science	Dr. Vadiraj KT
Elective 1	Statistical Methods for Biology	Dr. Stavelin Abhinandithe K
Practical 1	Environmental Biology, Chemistry & Earth Science	
	Semester II	
Paper 5	Environmental Toxicology	Dr. Vadiraj KT
Paper 6	Remote Sensing & GIS	Dr. Shruthi BV
Paper 7	Water Resource and Ground Water Hydrology	Dr. Shivaraju HP
Paper 8	Environmental Economics and Management	Dr. Pallavi N
Elective 2	Bio-Energy Technologies OR Environmental Impact assessment	Dr. Divya J.
Practical 2	Environmental Toxicology, Microbiology & Biotechnology	Dr. Santosh
	Semester III	
Paper 9	Water and Wastewater Treatment Techniques	Dr. Lingaraju H.G.
Paper 10	Waterborne Disease and Chemical Agents	Dr. Vadiraj KT
Paper 11	Environmental Safety and Health Management	Dr. Shivaraju HP
Paper 12	Environmental Pollution and Law	Mrs. Saritha HB
Elective 3	Environmental Nanoscience OR Water Resource Management and Sustainable Development	Dr. Anil kumar KM
Practical 3	Water Treatment Techniques, Waterborne Disease and Chemical Agents	

Director CDOE
