

Bureau of Quality & Statistics (BQS)

JSS Academy of Higher Education & Research

Introduction:

Bureau of Quality & Statistics (BQS) of JSS Academy of Higher Education & Research plays a major role in ensuring and enhancing the overall quality standards of the institution. Established in 2016 under the guidance of the university authorities, BQS serves as an exclusive division dedicated to achieving excellence through benchmarking, participation in national and international rankings, ratings, accreditations, certifications, and awards. The primary objective of BQS is to meet the mandated requirements and expectations set by various national and international governmental and private bodies associated with health-based higher education institutions.

Objective:

The main objective of the Bureau of Quality & Statistics (BQS) is to sustain and improve the quality standards of JSS Academy of Higher Education by actively engaging in benchmarking exercises. This involves participating in various prestigious national and international rankings, ratings, accreditations, certifications, and awards. BQS aims to achieve recognition and excellence that aligns with the best-ranked universities globally. By collaborating closely with the university authorities and leadership, BQS focuses on strategic planning and effective policy implementation to elevate JSS AHER to the top 50 positions among the best-ranked universities in India and the top 500 positions among the best-ranked universities globally.

Scope:

The scope of BQS at JSS Academy of Higher Education encompasses the following areas:

1. **Benchmarking and Rankings:** BQS actively participates in national and international rankings to assess the university's performance and identify areas for improvement. By analyzing and comparing the institution's standing with other top-performing universities, BQS seeks to identify best practices and implement strategies to enhance JSS AHER's overall ranking.
2. **Accreditations and Certifications:** BQS works diligently to attain relevant accreditations and certifications from reputed accrediting bodies. By meeting stringent quality standards set by these organizations, JSS AHER aims to strengthen its academic programs, infrastructure, and overall governance.
3. **Recognition and Awards:** BQS proactively pursues opportunities for recognition and awards to highlight the university's achievements and contributions to the field of higher education. These accolades serve as a testament to the institution's commitment to excellence and innovation.
4. **Strategic Planning and Policy Implementation:** BQS collaborates closely with the university's authorities and leadership to formulate strategic plans and policies that align with the vision of achieving global recognition. By developing and implementing effective guidelines and procedures, BQS ensures a systematic approach towards continuous improvement.
5. **Data Management and Analytics:** BQS benefits from the expertise of qualified and experienced professionals in data management and analytics. Through meticulous data analysis, BQS gains valuable insights that aid in decision-making and strategic initiatives to enhance overall performance.

Key Personnel:

The BQS division is led by the Dean, Dr. Nilani.P, who brings with her 15 years of academic, research, and administrative experience. Assisting her is the Asst. Dean, Dr. A.M. Mahalakshmi, with 12 years of academic, research, and administrative experience, particularly in data management and analytics. The division is further supported by well-qualified and experienced statisticians, Mrs. C. Suhasini, and Mrs. Priya Prasadhini, the data entry operator.

Major Contribution:

Bureau of Quality & Statistics (BQS) of JSS Academy of Higher Education enhances its impact and contribution to the institution:

1. **Data-Driven Decision Making:** Strengthening the data management and analytics capabilities of BQS will enable the division to make data-driven decisions. By leveraging data insights, BQS identifies trends, addresses challenges, and seizes opportunities effectively.
2. **Sustainability and Social Impact:** BQS contributes to the JSS AHER's sustainability goals by incorporating sustainability practices in its assessments and recommendations. Additionally, BQS supports initiatives that promote social impact, community engagement, and responsible citizenship among students and staff.
3. **Student Feedback and Engagement:** BQS plays a pivotal role in gathering and analyzing student feedback to understand their needs, expectations, and satisfaction levels. This information guides the Institution in enhancing the overall learning experience and support services provided to students.

Bureau of Quality & Statistics contributes significantly to the overall growth and success of JSS Academy of Higher Education, positioning it as a leading institution in the field of health-based higher education.

Bureau of Quality & Statistics (BQS) of JSS Academy of Higher Education is a vital division dedicated to the sustained enhancement of the institution's quality standards. Through active participation in benchmarking, rankings, accreditations, certifications, and awards, BQS strives to achieve recognition and excellence on both national and international levels. With the support of qualified and experienced personnel, BQS collaborates with the university's leadership to strategically plan and implement policies for attaining global recognition and positioning JSS AHER among the top-ranked universities worldwide.
