AGENDA NO. 49.17: To consider starting of Online Courses at JSS Academy of Higher Education & Research.

The Vice Chancellor gave a brief of the proposal submitted to UGC for starting of Online courses and said that JSS AHER is moving with the process for being recognized for online education programme. Initially, JSS AHER will be offering Diploma or Certificate programme. Sri Sathyan sought clarification as to whether this needs any contact centres for which Vice Chancellor said that contact centres are not required for this purpose. He said that this will generate lot of learning content which will be available on a platform.

Executive Secretary, JSS Mahasidhapertha suggested about offering programmes on Artificial Intelligence and to enter into an MoU with JSS Science & Technology University in health care delivery systems.

Considered and approved the starting of Online Courses at JSS Academy of Higher Education & Research.
